

A TURNING POINT FOR OIL & THE WORLD

FREE Lecture

December 6, 2011

6:00 p.m.

Join author, Kurt Cobb as he gives a 30-minute presentation on the basics of Peak Oil, with time for Q&A. He will also read a short excerpt from his book, *Prelude*, about the Canadian tar sands, which produced the oil that burst from a pipeline near Battle Creek contaminating wetlands and waterways, some of which remain closed more than a year after the accident. Signed copies of the book will be available for purchase.
