~~Kanoe the Kazoo with Great Lakes Adventure Club. The paddle scheduled for Wednesday, May 25th, 2011 has been postponed until Wednesday, June 1st. Tomorrow's NOAA weather forecast is for a 60-70% probability of thunderstorms starting in early to mid afternoon and continuing into the evening with wind gusts as high as 25 mph.~~

**The Kanoe the Kazoo paddle that was rescheduled by Great Lakes Adventure Club to Wednesday Jun 1th has been canceled due to excessively high current flow from recent storms. This paddle had been rescheduled from May 25th because of the 70% probability of Thunderstorms predicted for the May 25th paddle time.**
