Address: City of Marshall, 323 W. Michigan Ave., Marshall, MI 49068

Description of Float and Day's Activities: We will canoe the Kalamazoo River from the Ceresco Dam to Battle Creek. The date of the float will be dependent upon the official opening of the river in light of the recent oil spill. Paddlers will be among the first to see how our beautiful river has recovered from the 2010 disaster. We will be providing lunch mid way at Historic Bridges Park and each paddler will also receive a group photo in a Kanoe the Kazoo frame. Together the Battle Creek Clean Water Partners and the Marshall Area Conservation Committee are pleased to provide this opportunity and invite you to join us as we explore the beauty and the resilience of the majestic Kalamazoo River.
